

Welcome

from the
National President
Auswide Motorhome
Club Inc.

The **Auswide Motorhome Club Inc.** is an organisation continually striving to look after its members. These are Motorhomers wanting to belong to and enjoy the company and benefits of belonging to a small friendly, relaxed group.

Our members are concentrated mainly in the Eastern States of Queensland, New South Wales, Victoria, South Australia and Tasmania.

Auswide Motorhome Club has branches in the various states. They contain members who live in a particular region of the state. Members are the lifeblood of the organisation and are directly involved in the decision making of the club.

Attendance at Branch rallies (which is optional) varies from around 20 motorhomes down to half a dozen in Winter when some members head to a warmer climate.

Branch members meet regularly, usually weekends, at various locations decided on by each branch with an emphasis on informality. At times there may be combined gatherings with other branches. Some branches may organise **Safaris** varying in length from a few days to a week or more, often going to bush locations where there are campfires and campfire cooking.

Our club magazine "**The Grapevine**" contains information relating to each branch's activities. **This is published Bi-monthly and distributed to all members with the latest issue available on the Website.**

A **National Rally** is held in a different state each year usually for six or seven days. There are various activities including a disc bowls competition, annual dinner, entertainment nights, skit night and bus trips to local attractions.

The actual activities are determined by the Branch running the National Rally.

If you are interested in finding out more about **Auswide Motorhome Club**, then please visit one of our branch's monthly rallies. Meet us and find out more. There is no obligation to join.

Joining is simple, contact any Committee member or go to a Branch outing, all details are listed on the Auswide web site.
